Hello Preschool Families-

Welcome back from the Christmas/New Years break.

We sincerely hope everyone had a healthy and magical Christmas season :)

Thank you everyone for making Christmas here at St. Mark's Preschool a special and memorable time. We are truly blessed to have such wonderful and amazing families!!!

It's January and its cold outside, be sure to send your children with a coat (with their name in it, as many look alike) everyday as most days we do go outside.

This month we will have pajama days on Thursday January 23rd and Friday January 24th. The children can wear their pajamas and bring their teddy bear or other favorite stuffed animals on those days. We will have a group activity in the fireside room on pajama days.

Scholastic book orders resume and the next book orders will be due on Friday, January 31st 2025.

Reminders:

#1 If your child is sick please keep him/her home as we are all trying our hardest to stay healthy and avoid the flu, RSV, coronavirus and any other yuck out there.

#2 Please have your children wash their hands when entering the preschool.

#3 Please don't throw away your used ink cartridges here.

We recycle them and by doing so "Staples" gives us credit to use towards paper, tape, markers etc...

Tax Time...For those of you that need our information for your taxes.
